Thanks for your interest in Craegfern Studios!

We are located in Stanwood, Washington, on 11+ beautiful acres of rolling cedar forest and grassland. Stanwood is near Camano Island and approximately 10 miles south of Mt. Vernon and 40 miles north of Seattle. Although we are quite accessible, we have provided detailed directions for you to locate us easily. We hope to see you soon!]

### **If coming from the South:**

From I-5, take the Stanwood – Camano Island exit. After exiting, turn left at the stop sign and go under the highway. Take the first turn to the right on Old Highway 99 (at the Texaco station). Go approximately ½ mile and turn left onto 276<sup>th</sup> Street. Go another ½ mile until you see a left-turn-only gravel access road with a bank of mailboxes. Turn left here and left again when this short road comes to a “T.” The second drive to your right is Craegfern Studios. You’ll see our sign!

Parking may be along this road or in our parking area, depending on the size of the event you are attending. Please look for parking signs. Thanks!

### **If coming from the North:**

From I-5, take the 300<sup>th</sup> Street exit (first exit after Starbird Road). After exiting, turn right at the stop sign. Take a left at the next stop sign onto Old Highway 99 (at the “T”). Turn at the first right (a quick one!) – you’ll be heading up a curving road on a hill. Go approximately 1-1/3 miles and turn left onto 276<sup>th</sup> Street (with a blue house on the corner). Take the second turn to your right (right turn only gravel access road). Sorry, there’s no street sign here but you will see a large pole in the middle of this drive and a bank of mailboxes on your right. Turn left when this short road comes to a “T.” The second drive to your right is Craegfern Studios. You’ll see our sign!

Parking may be along this road or in our parking area, depending on the size of the event you are attending. Please look for parking signs. Thanks!

### **If coming from Stanwood / Camano Island:**

Take highway 530 through Stanwood until you reach Old Highway 99. This is right before you reach the I-5 freeway and there is a Texaco station on the corner. Go approximately ½ mile and turn left onto 276<sup>th</sup> Street. Go another ½ mile until you see a left-turn-only gravel access road with a bank of mailboxes. Turn left here and left again when this short road comes to a “T.” The second drive to your right is Craegfern Studios. You’ll see our sign!

Parking may be along this road or in our parking area, depending on the size of the event you are attending. Please look for parking signs. Thanks!
